Iban DE73860502001010036498

Purpose of transfer: Name of participant and name of event („DEU-Pokal“)

For entry fees paid on the day of competition a supplement of 15,- Euro will be charged.

The organizing committee kindly hints at the fact that entry fees will not be refunded in case of a withdrawal after the closing date.

contents of entry: 1. name of the event and category  
2. surname and first name of the participant  
3. date of birth  
4. name of skating club and of the corresponding federal skating association  
5. planned program sheet (free program, free dance)

Skaters have to present a medical health certificate on the day of the draw at the latest. If available, the skater's sport passport is to be presented as well. However, the fact of not having past any skating tests does not represent any obstacle to participating in the competition.

Entries have to be effected by the corresponding skating club of the skater.

qualification: Skaters have to be member of a skating club that belongs to one of the Skating Associations of the ISU.  
The participation of foreign athletes requires the authorization of the organizing committee as well as a confirmation of membership in a skating club that belongs to the national skating association of the corresponding country.

minimum age: 16 years

liability: The organizing committee does not assume any liability for any damages or injuries suffered.

reimbursement: The organizing committee does not refund any expenses for journey, accommodation and food.

music: Tapes and CDs that have to be clearly marked (name, club, category) and that have to be in a technically perfect condition will be accepted.

classification: Ladies and men will participate in separate events provided that there are at least three competitors in one category.

In addition, the following age categories are applied to (qualifying date: July 1st):

Age category I: 16 to 30 years

Age category II: 30 to 65 years

**Depending on the number of entries the categories may be splitted in A and B groups.**

The organizing committee reserves the right to require any proof of age.

## **2. Rules of competition / categories**

### ***A) Former high level Skaters / Free program skated with music***

This category is open to any former high level skater who is not authorized to take part in category B.

Required elements:

- 7 jump elements: four single jumps and three jump combinations or sequences (two combinations / sequences of two jumps and one combination / sequence of three jumps)
- 3 spins of different nature
- 1 step or spiral sequence that fully utilizes the ice surface

Maximum duration of the free program: max. 3:30 minutes

### ***B) Adult Skaters – orientated towards competition skating / Free program skated with music***

This category is open to adult skaters who have not been skating at higher competition level during the past ten years. Former competitors at Nationals (Seniors and Juniors) are not allowed to participate in this category.

Required elements:

- 6 jump elements: four single jumps (one of it must be an Axel) and two jump combinations or sequences (one combination / sequence of two jumps and one combination / sequence of three jumps); Triple jumps are not allowed.
- 3 spins of different nature
- 1 step or spiral sequence that fully utilizes the ice surface

Maximum duration of the free program: max. 3:00 minutes

### ***C) Recreational Skaters – Free program skated with music***

This category is open to any skater who never skated at a high level i.e. the corresponding skaters must not have practiced on the ice for more than three hours per week until the age of 16 years.

Required elements:

- 6 jump elements: four single jumps and two jump combinations or sequences (one combination / sequence of two jumps and one combination / sequence of three jumps); No double jumps are permitted.
- 2 spins of different nature
- 1 step or spiral sequence that fully utilizes the ice surface

Maximum duration of the free program: max. 3:00 minutes

### ***D) Show program skated with music***

The objective of the show program is the interpretation of a musical theme on the ice in an individual, original and creative manner. The costume as well as make-up, accessories and props are allowed to be used for this purpose. But they should not be given priority. The use of vocal music is permitted. Jumps and spins are principally regarded as means of interpretation. A maximum of three jump elements is authorized. In category II skaters are only allowed to perform single jumps. There are no further limitations as far as skating elements are concerned.

The performance will be assessed by using of components:

**Skating Skills** 1,5

such as technical quality of the elements like jumps and spins, the use of edges, the ability of gliding and the flow, the diversity

**Transitions** 1,0

such as the difficulty and the quality of the transitions, of the steps and of the step connections

**Performance 1,25**

such as the carriage, the emotional involvement of the skater and his connection to the audience

**Choreography 1,75**

such as the conception, the variation of the speed and the ice coverage. Special credit will be given for originality and for innovative skating.

**Interpretation 1,5**

such as the power of expression and the consistency of the program, the expression as well as the musicality

**Single Skating - Category I for Adult Skaters former High Level Skaters**

This category is open to any former high level skater who does no longer skate at a competition level.
